# ABOUT US

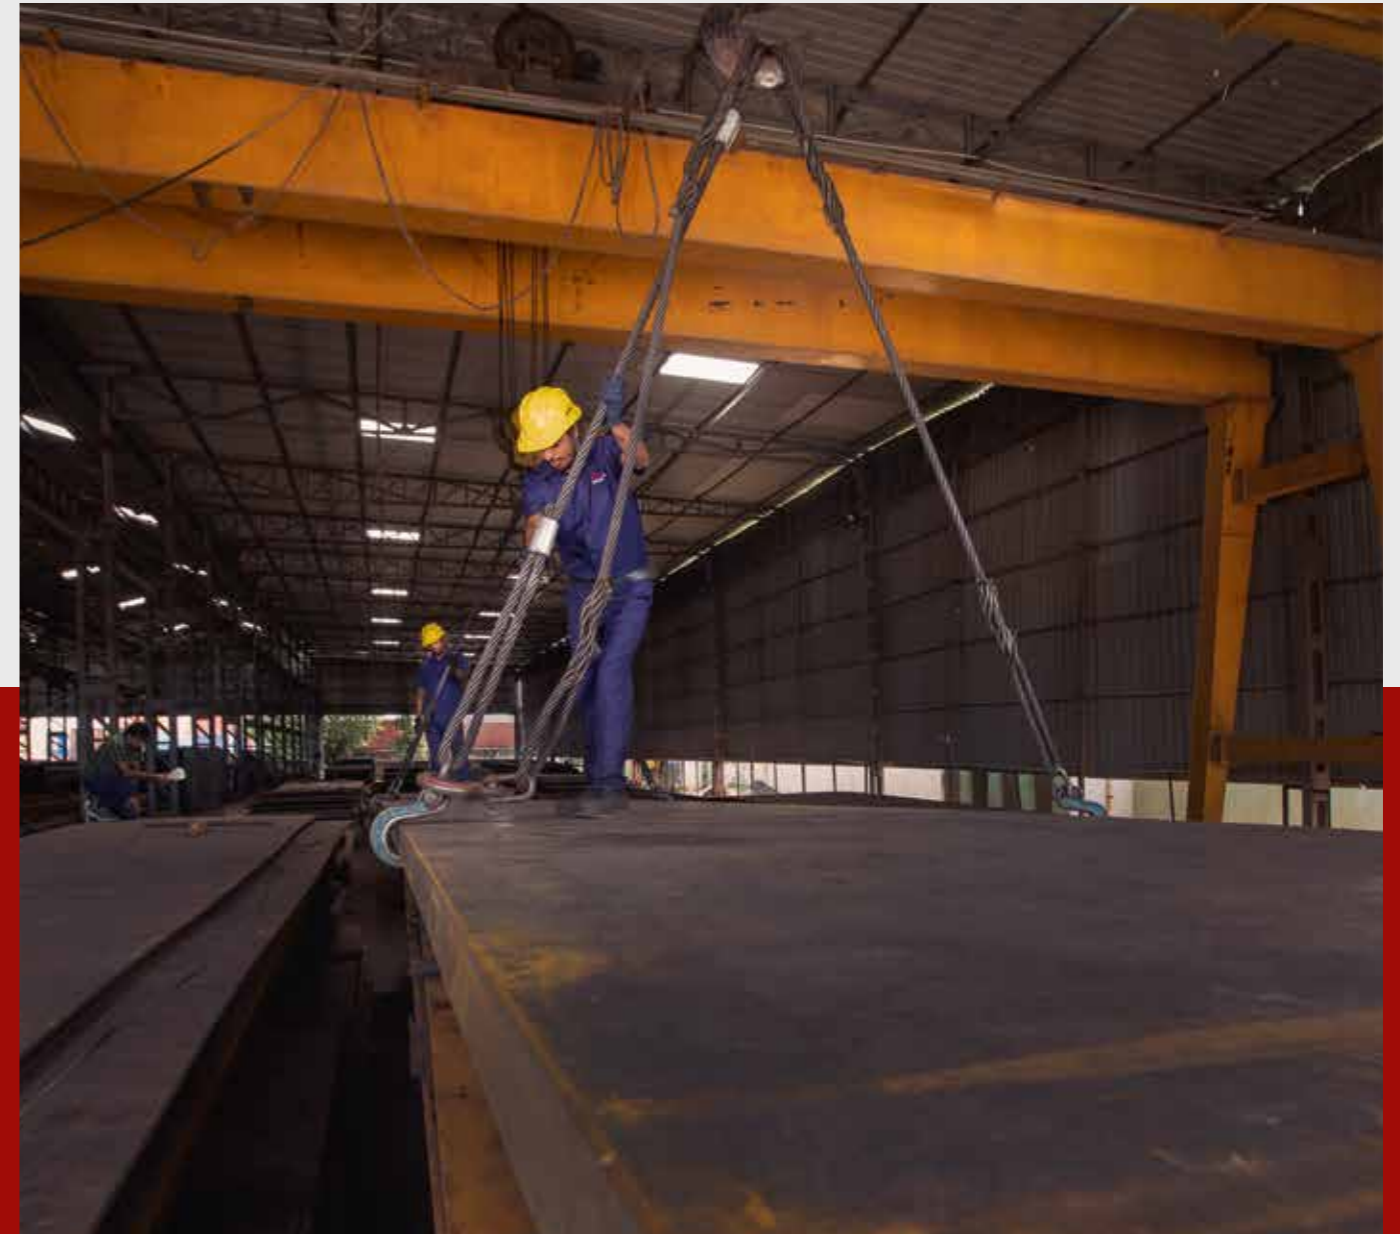

Welcome to Raunaq Steels

With a legacy of more than 30 years, Raunaq Steels Trading Pvt. Ltd is one of the leading dealers and distributors of steel products across India.

The visionary, Mr. Sudarshan Rungta, with his two dynamic brothers, Mr. Surendra Rungta and Mr. Leeladhar Rungta, are at the company's helm. Their rich experience, sheer commitment and encompassing expertise are pillars of success; together, they have made the company a pioneer in steel trade in India, also providing the next generation a roadmap to bring about positive change in the industry.

Today, Raunaq Steels ranks amongst the top authorized suppliers of steel products. We boast of a comprehensive trading network and substantial client satisfaction. We own multiple fully-developed, well-stocked warehouse facilities in **Chennai** and **Visakhapatnam**. Our commitment towards professional quality management and client satisfaction has earned us this high-valued accreditation.

## SOURCING PARTNERS

As authorized distributors of SAIL and Sourcing partners of JSW, RINL and JSPL we provide access to wide range of high-quality products for our customers. Our commitment to excellence ensures that every customer enjoys an uncompromising experience with us!

# UNRIVALED STEEL SERVICES

## TRADING

Our superior knowledge and expertise in steel trading have enabled us to create a secure system for delivering quality products quickly on competitive terms. As a leading provider of steel procurement services in the Southern region, we offer an extensive range of steel products that can be obtained on short notice. Our company is headquartered in Chennai and operates a branch office in Visakhapatnam, enabling us to offer our customers prompt and efficient service.

## DECOILING

Sheet steel with a high-degree of precision is in high demand. At Raunaq Steels, we focus on decoiling; we believe decoiling is an intrinsic critical operation. For that, we have installed upscale, imported machinery that can process steel coils with thickness up to 25mm and width up to 2500mm. Also, four shearing and decoiling machines secure on-time delivery.

## FABRICATION

We provide fabrication services for Power Projects, Petro Chemical Industry, Cement & Sugar Industry, Space Research and Scientific Components. We are also involved with the manufacturing of the Boilers and Pressure & Non-Pressure Pipeline works.

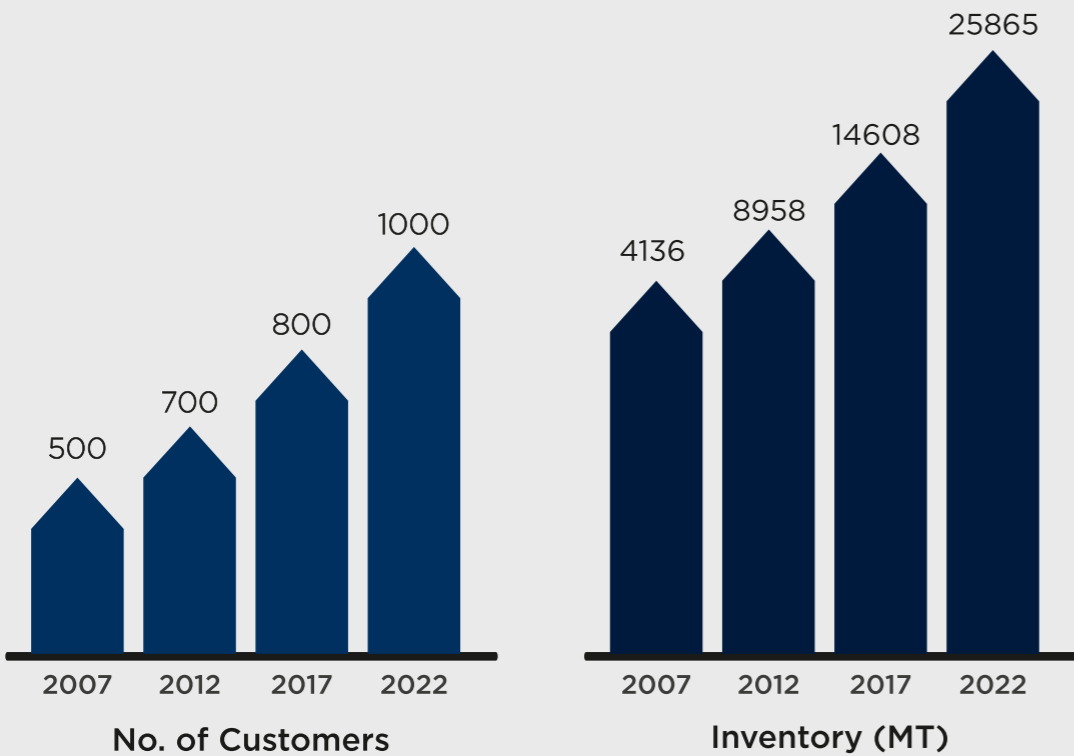

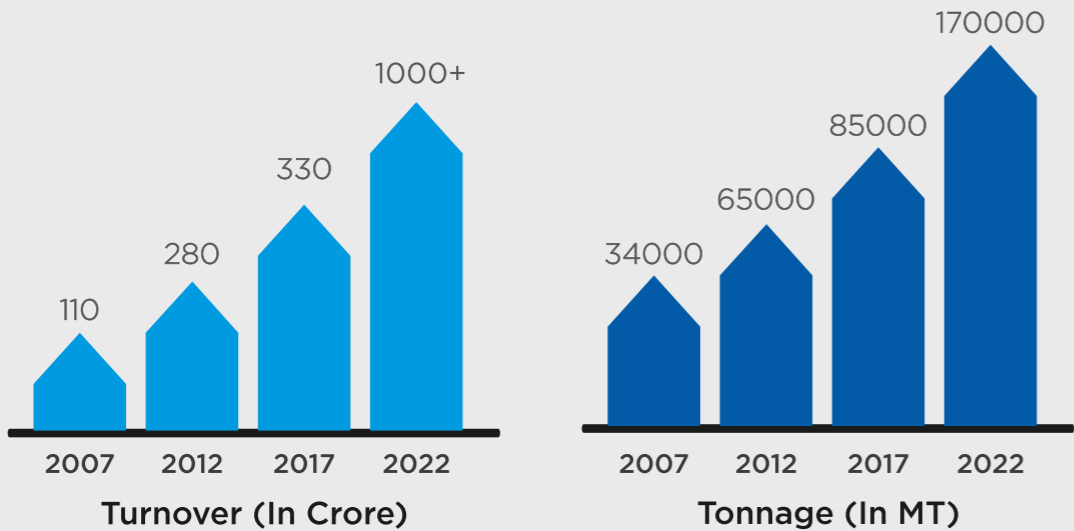

## INFRASTRUCTURE

- 28 heavy duty EOT cranes with 30 tonnes capacity
- Magnetic cranes with 10 tonnes capacity
- Secure 24x7 storage solutions
- 1,75,000 sq. ft. covered shed
- Decoiling unit of,
  - 1.6mm-4mm upto 2000mm width
  - 04mm-12mm upto 2000mm width
  - 04-20mm upto 2000mm width
  - 06-25mm upto 2500mm width
- In-house weightment of upto 100 tonnes

# LIST OF PRODUCTS

- IS 10748 grade coils
- IS 2062 E250 grade plates and coils
- Chequered plates
- High tensile grades - E350, E450 and S355J2N (normalised)
- Sailhard / Tiscral / JSPL Hard
- S355J2WN - Weather resistance and normalised
- S690QL
- Rockhard 400, 450
- IRSM 41, SAIL COR
- C45
- Boiler quality - SA516GR70
- Structurals of all grades and sizes like angles, channels, beams, narrow parallel flange beams, universal channel, universal beams, weldable pressure vessels h-beam, rounds, flats
- TMT- Fe500D, Fe550, corrosion resistant steel, HCRM
- Copper bearing plates (CU plates)
- Hot rolled pickled & oiled sheets
- Cold rolled sheets
- Galvanized iron sheets

# OUR STEEL SOLUTIONS MEET THE NEEDS OF

## **TUBES + PIPES**

- IS 10748 grade coils

## **GENERAL FABRICATION**

- IS 2062 E250 grade plates and coils

## **INDUSTRIAL FLOORING**

# CSR ACTIVITIES

## SCALABILITY OF SOCIAL ORGANIZATIONS

Raunaq Steels is committed to improving the lives of those in India who face economic disadvantage and inadequate living conditions. We drive change by introducing innovative solutions that enable people to scale faster, impacting social systems everywhere. Our goal is an equitable future where all can thrive.

## COMMUNITY DEVELOPMENT

Raunaq Steels understands how vital community connection is for sustainable growth. As such, they are committed to fostering strong ties with the neighbouring villages and communities surrounding their workplaces to support one another's progress.

## HEALTHCARE

Raunaq Steels drives towards a future of accessible healthcare for all, leveraging modern innovation to positively shape the lives of those with medical needs with patient-centricity at its core, integrity and collaborative spirit in motion. This organization goes above and beyond toward their mission: creating an impactful experience that guarantees health as every person's right.
